

## LOCAL GROWTH, GLOBAL REACH: INTRODUCING AGRATAS TO SOMERSET

Hello everyone, I'm Tom Flack, CEO at Agratas – a new global battery business owned by Tata

Group, operating in the UK and India. I'm very excited to be able to formally announce that we will be delivering our £4 billion investment at the Gravity Smart Campus in Bridgwater, Somerset where we will build our new UK battery manufacturing facility.

We are passionate about the opportunity to help drive the area's clean and inclusive growth strategy, working with local partners across

the community, including Somerset Council, Bridgwater and Taunton College and the wider Gravity Smart Campus, to realise the ambition to deliver training, upskilling, and education – creating local jobs for local people.

We are a global business that cares deeply about the communities we operate in and over the next few months and years as we establish our business, my team and I are looking forward to collaborating with you.

■ Up to

# 4,000

new jobs on site, with thousands more in the supply chain

■ A local-first supply chain

approach and a facility powered through renewable energy

■ Our first customers will be

# JLR and Tata Motors,

with plans to expand

■ Our

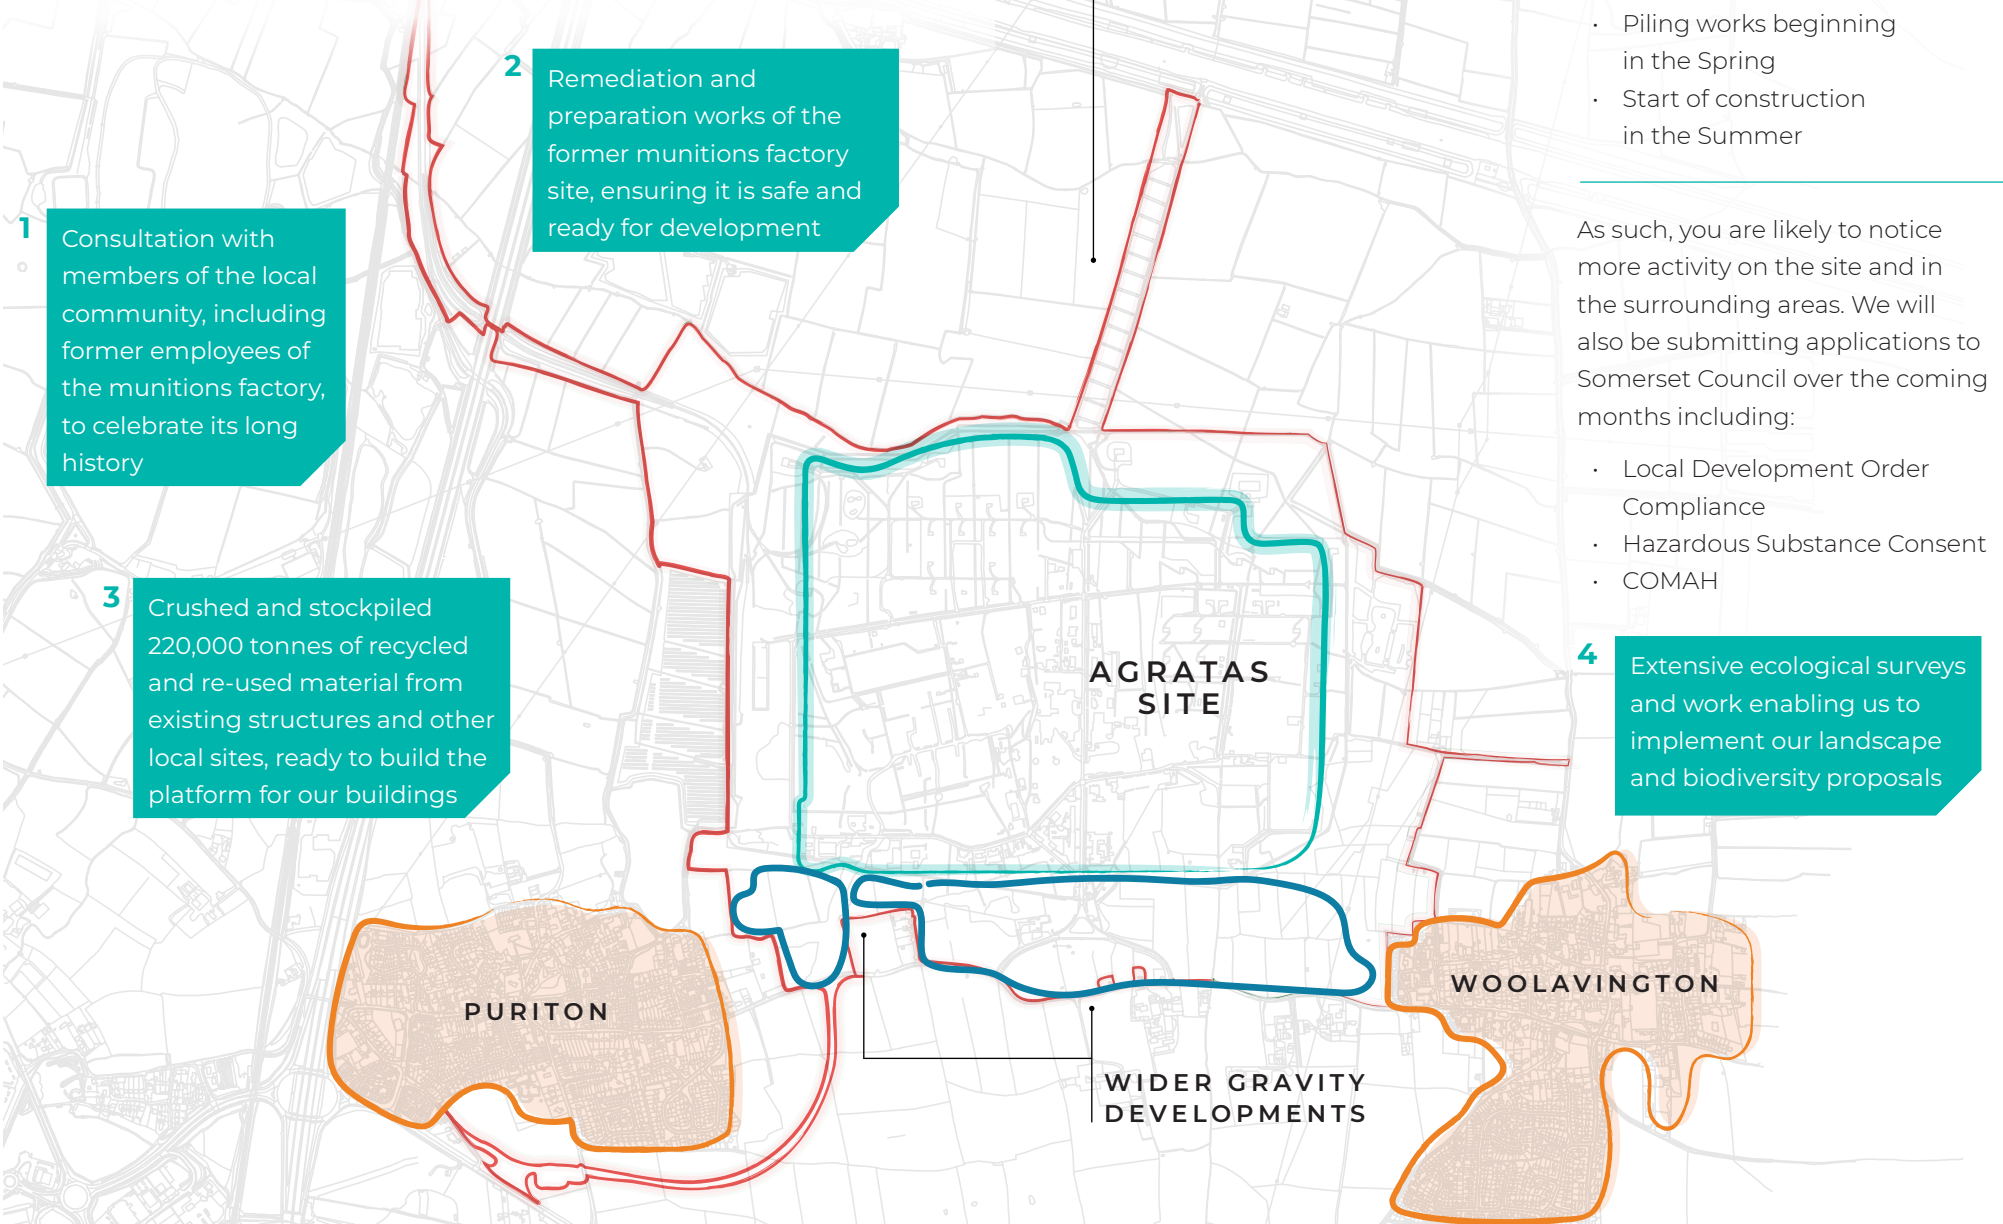

# 40 GWh

facility will be the biggest in the country

## Our site is part of Gravity Smart Campus.

The Gravity team has done a lot of work to prepare the site so that we are able to quickly move the development of the site forward. Some of the work done to date includes:

Over the coming months, we will be undertaking a lot of work at the site including:

- Test piling during March
- Piling works beginning in the Spring
- Start of construction in the Summer

As such, you are likely to notice more activity on the site and in the surrounding areas. We will also be submitting applications to Somerset Council over the coming months including:

- Local Development Order Compliance
- Hazardous Substance Consent
- COMAH

# COME AND MEET THE TEAM!

---

We will be hosting an open house event in association with Bridgwater and Taunton College where you can pop along and meet the team, find out more about Agratas, the history of the site and our plans for the future.

More details will be communicated in the coming weeks.

In the meantime, to receive updates from us on the project, we invite you to join our Agratas WhatsApp Channel, by scanning the QR code through the camera app on your phone.

We will be using this channel to update regularly with any news we think you will need to, or want to, be aware of.
